

# Da Archive

## August 12 2016

This is a compilation of the last 31 pdf share threads and the rpg generals threads. A **HUGE THANK YOU** to all contributors. It has been cleaned up some, labeled poorly, and shuffled about a little to perhaps be more useful. There are links to perhaps 18,000 pdfs. Don't be intimidated, some are duplicates. Go get a coffee and browse. **As Anon says; "Surely in Da Archive™ somewhere."**

**Part I** is the Personal Collections. They are *Huge*. You need to go to each one and look at them. They often have over 1000 links each.

**Part II** is the Alphabetical Section.

## Please buy a copy of a book if you use it.

**No really, I mean it.**

The Negarons generated by struggling game publishers have been proven to psychically attach themselves to the dice of gamers who like a game enough to play it but not enough to support it.
